## BEER MENU

**Illuminate (Helles Lager - ABV 5.0 - \$8 - 22oz)** Golden, Full body, rounded, very mild bitterness, malt driven bready, inspired by the traditional bavarian helles, simple grain bill with a multi-step, single decoction process learned in Austria.

**Ten (Czech Pils - ABV 4.5 - \$8 - 22oz)** Flavors of toasted bread, specifically crust, medium body, bitterness in perfect alignment with the sweetness, medium body. Brewed with as the Czech would say two mashes, ours is double decocted with a healthy dose of Czech hops.

**Midnight (Modern Dark Lager - ABV 5.4 - \$8 - 22oz)** Flavors of toasted bread, caramel, and dark chocolate dominate, medium body. Inspired by the dark lagers of Czechia, often only available around Christmas Time, with a touch of Tampa flair, this example features a complex malt bill and a double decoction.

**Mars (Marzen - ABV - 5.0)** Classic Marzen, initial sweetness with off-dry finish, flavors of fresh toasted bread crust and biscuit, malt complexity stems from the double decoction.

**Inter Pils (Italian Pilsner - ABV 5.0 - \$7.5 - 16oz)** Full body, herbal aroma, notes of Earl Grey tea infused with extra bergamot. Named after our favorite Italian Football team. Dry Hopped with Petit Blanc, from Locher Hopfen. Nerazzurri!

**Delicate - (Kolsch - ABV 4.6 - \$4.0 - 10oz)** - Balance between peach and pear esters, mild but present bitterness, medium body. Is it cool that I said all that, cause it's delicate?
